

Bettina Marth

Information day
on the Master programmes

Developmental, Neural and Behavioral Biology (DNB)

&

**Molecular Life Sciences -
Microbiology, Biotechnology and Biochemistry (MLS)**

...collect first impressions

...meet faculty and students

...receive information

Area

Central

Opportunities to go abroad

Partner faculties of Biology
[Erasmus+]

Partner universities of Göttingen University
[Global Exchange Programme]

<https://www.uni-goettingen.de/en/450662.html>

Enrolment

German students: July 30th

Servicebüro der Studienzentrale

Infoline: 0551/39-113

infoline-studium@uni-goettingen.de

International students: September 30th

International Student Services

+49 551/39-21335

international.study@uni-goettingen.de

Enrolment

bedingte Zulassung / conditional admission

at least one of the listed documents is missing:

Bachelor certificate
German proficiency
English proficiency

Deadline: Nov 15th

Start of your studies

- Introductory meeting (**invitation via e-mail**)
 - Organisation of studies
 - Course selection
 - End of September/beginning of October
- Start of courses: **October 23rd 2023**

Programme presentation

9:15

**Molecular Life Sciences –
Microbiology, Biotechnology and Biochemistry**

Prof. Dr. Stefanie Pöggeler

9:45

Developmental, Neural and Behavioral Biology

Prof. Dr. Ernst Wimmer

Poster session

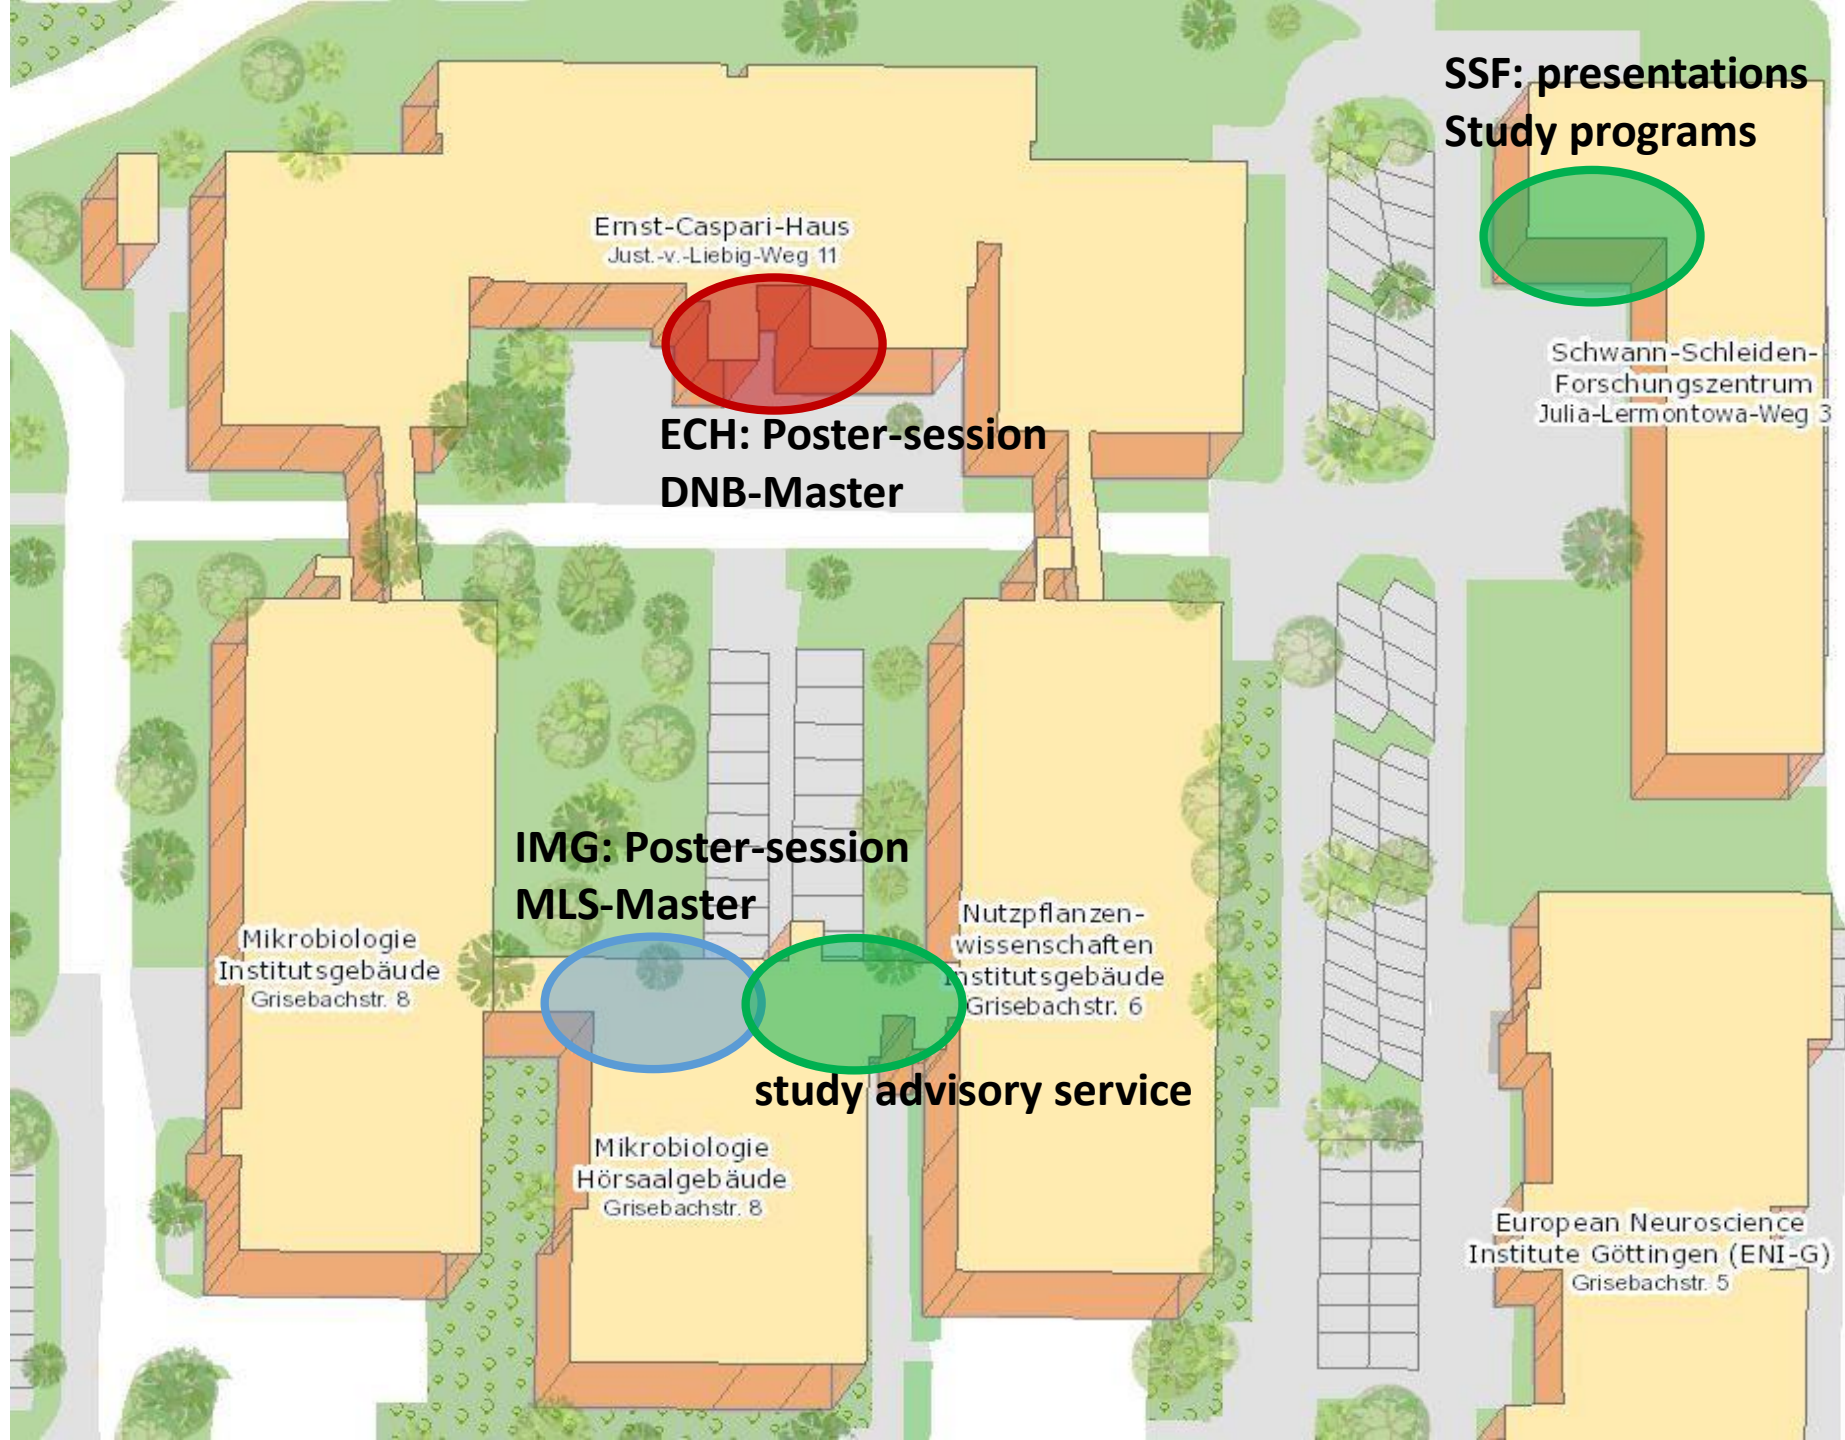

10:30 - Molecular Life Sciences-

12:00 Microbiology, Biotechnology and Biochemistry
foyer IMG

10:30 - Developmental, Neural and Behavioral Biology

12:00 *seminar room ECH*

Guided tours
Molecular Life Sciences –
Microbiology, Biotechnology and Biochemistry
Friday, June 30th, 2023

Meeting point:
Foyer Institute for Microbiology & Genetics

**13:30; Department Plant Cell Biology, Schwann-Schleiden-
14:00 Centre**

Prof. Dr. Volker Lipka, Dr. Thomas Teichmann

**13:30; Department Molecular Microbiology and Genetics
14:00 Dr. Christoph Sasse/Dr. Oliver Valerius**

**13:30; Department General Microbiology
14:00; Dr. Jeanine Rismondo
14:30**

**13:30; Department Molecular Genetics
14:30 Luisa Querl, Sandra Klama**

**13:30; Department for Plant Biochemistry, ECH
14:00; Dr. Kirstin Feußner
14:30**

**13:30; Biomolecular Chemistry and Biophysical Chemistry
14:00 Dr. Tabea Oswald (Faculty of Chemistry)**

Guided tours

Developmental, Neural and Behavioral Biology

Friday, June 30th, 2023

Meeting point:

Foyer Ernst-Caspari-Haus

13:30; Neurobiology

14:00 *Prof. Dr. Heinrich/Dr. Phillip Hehlert*

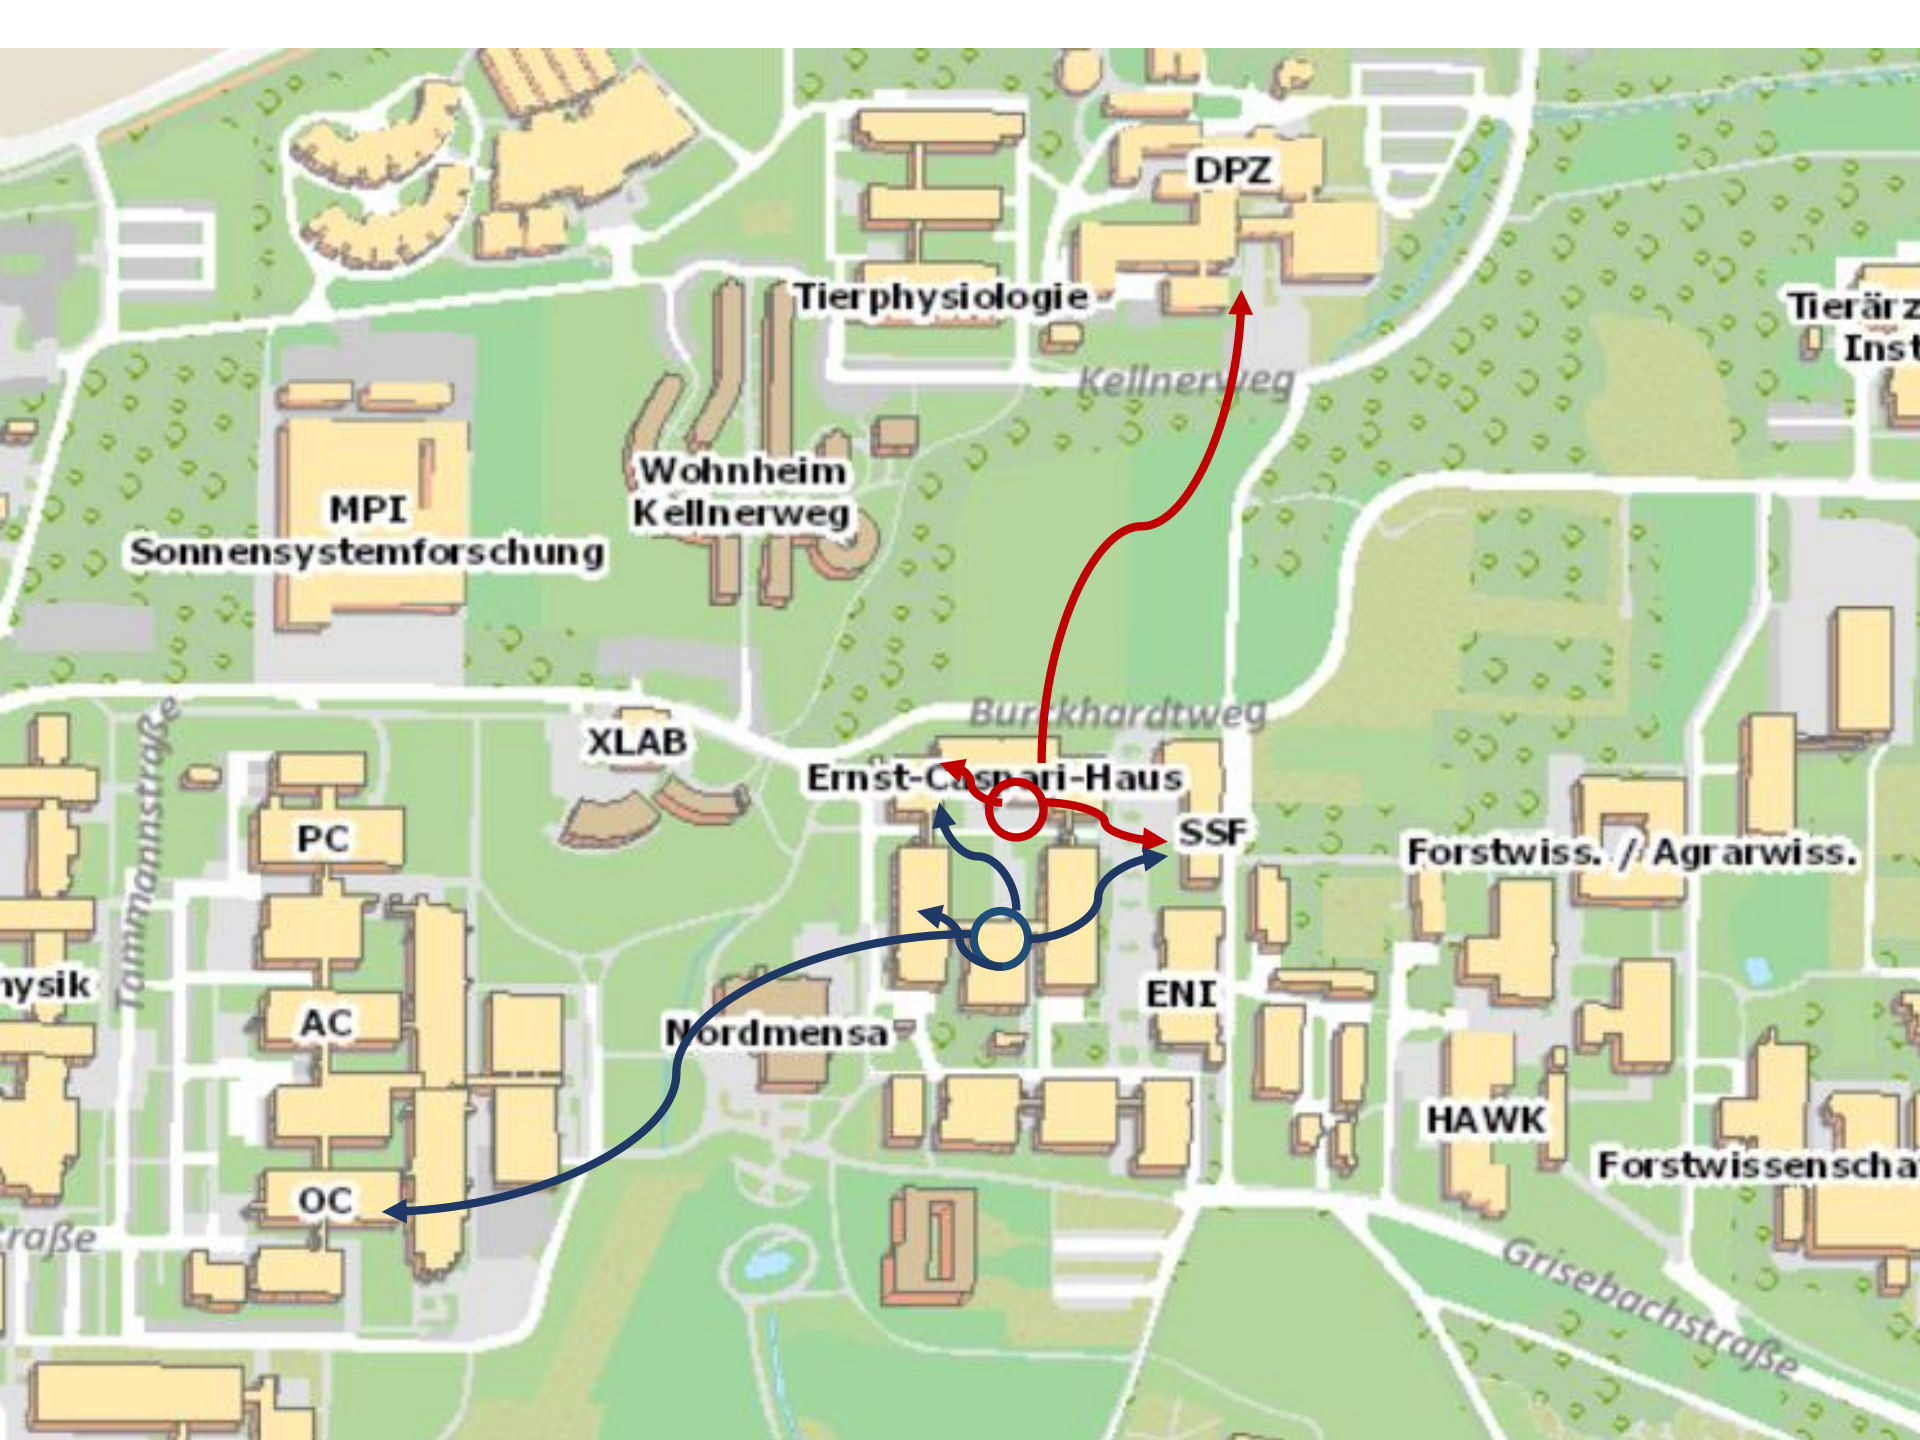

13:30 Developmental and Cell Biology

Prof. Dr. Gregor Bucher

14:10 - German Primate Center (DPZ)

15:00 *Jana Wilken, FFP2-Masks required!*

(1h) *Meet 14:00 at meeting point or 14:10 at DPZ directly
(Kellnerweg 4), 10-25 participants*
