<b>Courses (Earn at least half of your Fudan undergraduate credits from SOE. Please note that the school of management is separate from the school of economics.)</b>	Undergraduate Students	<p>If you apply based on this information sheet you will be a department-level exchange student at Fudan, different from the university-level exchange students. Therefore information posted at <a href="https://fao.fudan.edu.cn/15877/list.htm">https://fao.fudan.edu.cn/15877/list.htm</a> may not be meant for you.</p> <p>SOE's undergraduate exchange students enroll in undergraduate courses online and submit a form for master courses after registration at SOE. Undergraduate students can choose: Undergraduate courses of the whole university; SOE's EMA (English master) courses in International Business/Finance; SOE's short master courses. If the undergraduate courses of the semester you want to stay here are not available yet at the link provided above, please use the list of the previous year for reference.</p> <p>Please note that at Fudan management and economics are two separate schools. There is no guarantee that you will be able to enroll in the management courses and undergraduate exchange students need to comply with the 50% rule that at least half of the Fudan undergraduate credits earned should come from SOE. Please also note that the 4-credit undergraduate course of Chinese language, if explicitly reserved for university-level exchange students, is not for SOE's exchange students who may be kicked out despite successful online enrollment.</p>
	Master Students	<p>SOE's master exchange students enroll in courses online after registration at SOE.</p> <p>Master students can choose: SOE's EMA courses in International Business/Finance; SOE's short master courses.</p> <p>Short courses are taught by scholars from overseas, each of which lasts about 2 weeks and is worth 1 credit. The course titles together with the syllabi are posted on our website before each semester starts.</p>

The EMA courses and most short courses in the fall semester usually finish before Christmas.</p>	
<b>Accommodation</b>	<p>Foreign students can apply for on-campus dorm rooms which are in the charge of the university's International Students Office, and the information about the dorm can be found at <a href="https://iso.fudan.edu.cn/isoenglish/wormitory/list.htm">https://iso.fudan.edu.cn/isoenglish/wormitory/list.htm</a>. The instructions on how to book a dorm room online and the time for dorm booking will be posted on the ISO website several weeks before the registration date. If you encounter any problem when booking online please immediately contact the ISO to get it solved in case the rooms run out. It may be hard to get a dorm room especially for the fall semester.</p> <p>If you miss the dorm reservation deadline, or are put on the waiting list, you may consider renting an apartment around campus. There are real estate agencies everywhere and you can simply rent an apartment together with other students after you arrive. <u>Foreigners need to register their accommodation within 24 hours after moving into an apartment.</u> Instructions:</p> <p>(1) Log on to the website of Shanghai Exit-Entry Administration Bureau (<a href="https://gaj.sh.gov.cn/crj/homeZ">https://gaj.sh.gov.cn/crj/homeZ</a>).
